Be an owner in one of the best locations at Apex Mountain Ski Resort. This is a true ski in, ski out condo and is located in the Heart of the Village. Only steps away from everything Apex has to offer, including the Hockey rink, Skating loop and Tube park. It is a corner unit with amazing views looking east and south across the ski hill and towards Mount Baldy. Just renovated, it consists of two separate units that can be used separately or together. One side has a kitchen, dining room, living room (with new pull out couch) and a bathroom. The other side has a bathroom, two beds, table, fridge and microwave. Let's not forget the hot tubs right below the unit. Use it for yourself or put one or both sides in the well run rental pool when you're not enjoying it for yourself. One of the sellers is a licensed representative. All measurements are approximate. Call listing agent today for a viewing. (id:4069)
