Wineries & vineyard seekers look no further! An amazing 214.56 acre property, zoned RA with enormous potential.

Unique to this property are three onsite caves, one transformed into a mine, which is perfect for the makings of a wine cellar for aging vintages! Experience views of the valley, and local mountain ranges while pondering the endless possibilities. Power onsite and drilled well. Properties of this size are a rarity, unheard of in the area! A MUST SEE! Contact the listing realtor for an information package.
